ALL READINESS FOR GOOD ROADS WORK

all tourists that any improvement in the highway was due to its efforts. A strange circumstance was that Mr. Letter and Mr. Parker, who appeared in Tonopah twice during the past several weeks in the interest of the Los Angeles autists, were signers to the protest. A motion to comply with the request of the lay-outers carried.

It was decided that the sense of the meeting would be that the action of the Inyo County Good Roads club in opposition to the Los Angeles plan would be supported. Arrangements were made at the meeting that the autos laden with workers and tools would begin leaving the Mizpah corner at 7 o'clock and that machines would be held there to accommodate the later arrivals. The estimate of the committee was that there would be about 100 men in the party of workers and at least an equal number of volunteers. The refreshment committee announced that no one would go hungry or thirsty. Announcement was made that a special meeting of the Tonopah volunteer fire department would be held Friday evening and that a large delegation from that organization would doubtless lend their services in the road work. The meeting adjourned to Saturday evening at the same place and hour for final work on plans for good roads day, after the following communication from C. E. Redman of the Esmeralda Good Roads club had been read by Secretary Moore:

Goldfield Joins Tonopah
"Mr. H. C. Schmidt,
Tonopah, Nev.
"My Dear Schmidt:
"Yours received and it surely hits the right spot with the bunch here, that's the spirit we want and if a few of us will push it there is no reason why we should not have it right along, not only in this one thing but anything that comes up that will help one or both of us, all it needs is a start, and this may be it. Let's push it with that end in view.

"While it is true the road is in Esmeralda county, this county is now spending about \$6000 on the road between the two places. Tonopah cars use the road as much as Goldfield and I am satisfied they are as much interested as we are and as this is a movement started by the Auto Club it interests one as much as the other and may be just what we went to bring the towns closer together, let's hope so.

"We have fifteen machines and one truck promised now, will have about sixty people out, possibly more; we will leave the Goldfield hotel at 8:30 a. m.

"We will furnish the lunch and

ANNOUNCEMENT MADE OF NEW APPOINTMENTS

MANY PERSONS SELECTED TO VARIOUS POSITIONS BY GOVERNOR BOYLE

The appointment of members and commissioners to new and old state boards and commissions has taken up considerable of Governor Boyle's time the past few weeks, but he is now rapidly reaching the end and is sending out communications to the parties who have been selected, says the Appeal.

To the State Board of Embalmers the old members, George E. Kitzmeyer of Carson, Thomas F. Dunn of Goldfield and J. L. Keyser of Elko, have been reappointed.

As delegates to the eleventh convention of the National Child Labor commission, which meets in San Francisco in May, Rev. L. B. Thomas of Carson, Mrs. Frank Ingram of Sparks, Mrs. Hugh H. Brown of Tonopah, W. E. Wallace of Carson and Mrs. G. E. Guirey of Reno have been named.

As members of the board of control of the state experimental farm at Logan, Lincoln county, Prof. Lehenbauer of Reno, E. A. Syphus of St. Thomas, and Henry Rice of Moapa, have received their commissions.

Assembly concurrent resolution No. 8, passed by the recent legislature, called for the appointment of a commission to look into the matter of the state publishing its own text books and on this board the following have been named: R. L. Knapp, Reno; E. F. Lunsford, Reno; Prof. W. J. Hunting, Carson, and Miss Clara Crisler of Carson.

EVELYN NESBIT THAW AT BUTLER THEATER

FIVE-REEL LUBIN FEATURE FILM SHOWN AT THIS POPULAR PLAYHOUSE

Tomorrow afternoon and evening a five-reel Lubin feature entitled "Threads of Destiny," with Evelyn Nesbit Thaw in the leading role, will be shown at the Butler theater. Miss Thaw, who is universally known throughout the country, probably has received more publicity through the newspapers than any other woman ever appearing before the public, everyone being anxious to see her. The scene is first laid in Russia, moving later to the far west of the United States, and the story, which is replete with dramatic situations, begins with the massacre of Jews, instigated by Ivan Russak, chief of the secret Russian police, and the banishment of the survivors to Siberia. How the heroine is found by Russak and menaced by him, how the Russian police spy is thwarted and how all ends happily, are shown in graphic manner by this film masterpiece. One show in the afternoon at 1:30 and two shows at night, starting at 7 and 8:30 p. m. (adv) a23tl

AMUSEMENTS

BUTLER THEATER

There was lots of fun at the Butler last evening when the local pictures taken during the day were thrown on the screen, showing people in all the different attitudes as they were caught on the street; tonight there will be an entirely new bunch of pictures shown on the screen in addition to those of yesterday. The program of pictures is an exceptionally good one, consisting of the fourteenth episode of "The Exploits of Elaine," in which the identity of the "Clutching Hand" is disclosed, making it one of the most exciting and interesting numbers of the entire series, showing Craig Kennedy finally running down the mysterious Clutching Hand who has eluded him up to this time. In addition, one of the very best comedies that have ever been brought to Tonopah will be shown in a two-reel Essanay production, entitled, "A Night Out," featuring Charles Chaplin, and conceded to be one of the very best comedies in which Mr. Chaplin ever took part; it's a scream from start to finish and shouldn't be missed by anyone who wishes to enjoy a good laugh.

Tomorrow, Evelyn Nesbit Thaw in a five-reel feature, "Threads of Destiny."

The Pythian Sisters will give a card party and dance Tuesday evening, April 27th, at Odd Fellows' hall.
